

# Violet E. Carlson Memorial Guild

## Membership Form

We are excited that you have decided to become a member! The Violet E. Carlson Memorial Guild's purpose is to serve as advocates for St. Michael Medical Center through volunteer, philanthropic and educational endeavors to ensure excellent care for patients in our region. Our fundraising projects make possible programs and services for St. Michael Medical Center, resulting in a healthier community.

Our Guild is under the umbrella of the Virginia Mason Franciscan Health Foundation, and designated as a "chapter" of the Foundation, giving us non-profit 501(c)(3) status.

Our Guild meetings are organized around our fundraising event; however, we have educational, hospital-related speakers as well. We meet monthly throughout the year. Members are encouraged to attend as many regular meetings as possible and to participate in our fundraising event. If you have a special interest in one of the committees or a particular area, please make your interest known.
