

Dear Provider,

CHI Franciscan Medical Group is available to provide pre-operative/pre-procedure screening tests. The independent surgeon/specialists' office will utilize the Patient COVID-19 Testing Process for Elective Cases, the Independent COVID-19 Screening Request Form, and be responsible for COVID-19 test result notification to the patient's county public health office (the county of the patient's residence). A positive COVID-19 patient will require two negative test results prior to elective surgery/procedure (see COVID19 positive timeline).

1. Patient Name: (Last) \_\_\_\_\_, (First) \_\_\_\_\_, (MI) \_\_\_\_\_

2. Patient Date of Birth: \_\_\_\_\_
