System requirements for Horizon Rad Station™ Distributed

This section describes the system requirements for Horizon Rad Station[™] Distributed.

Network requirements

The minimum network speed requirements is:

• Broadband (Cable or ADSL)

Display and hardware requirements

The Horizon Rad Station[™] computer must meet the minimum requirements specified in this section.

The following table describes the minimum system requirements:

Item	Minimum desktop requirement
Display	1280x1024 resolution in 24 or 32 bit color mode
CPU	Intel® Pentium® 4 or Core [™] Duo
CPU speed	2.6 GHz
RAM	1 GB or higher
Free disk space	2 GB
Mouse	Mouse wheel

Software requirements for Horizon Rad Station™ Distributed

To use Horizon Rad Station[™] Distributed, you need to have certain software installed on the Horizon Rad Station[™] computer.

The following table describes the software requirements:

Software	Version			
Web browser	Microsoft® Internet Explorer® 6.0 or 7.0			
Operating system	Microsoft® Windows® 2000 Professional (Service Pack 4)			
	Microsoft® Windows® XP Professional (Service Pack 2)			
	Microsoft Windows Vista [™] Home Premium (Service Pack 1)			

Installing Horizon Rad Station Distributed

This document describes how to install McKesson's **Horizon Rad Station Distributed** (HRSD) on your computer. Before you install Horizon Rad Station Distributed on your computer, verify that the following criteria are met:

Before you install Horizon Rad Station Distributed

- If you are using Windows® 2000 Professional or XP Professional, your Horizon Rad Station user name is assigned to the Microsoft® Windows® **Power Users group** or the role of **Administrator**.
- The computer is connected to the Horizon Rad Station Web server that provides access to the Horizon Rad Station[™] Distributed installation software.
- Microsoft® Internet Explorer® is installed on the computer.
- You have obtained the Horizon Rad Station Distributed URL (URL, or Uniform Resource Locator = web address) from your local system administrator.

Steps for installing Horizon Rad Station Distributed

- 1. Open Microsoft® Internet Explorer®.
- 2. On the Address bar, complete the following steps:
 - In the Address field, type the following URL (web address) <u>https://pacs.fhshealth.org/hrs/</u>, as shown below.

Address	https://pacs.fhshealth.org/hrs/	💌 🄁 Go	Links »
---------	---------------------------------	--------	---------

• Click the **Go** button (or press **Enter** on the keyboard).

Note: The URL is an Internet address that specifies the location of the Horizon Rad Station installation software. If you are using Microsoft® Windows Vista[™], McKesson MIG recommends that you add the Horizon Rad Station Distributed URL to Internet Explorer® as a trusted site.

For technical support, call the FHS PACS Help Line at (253) 426-6271 option 2.

The Horizon Rad Station InstallShield Wizard is started. See Figure 1-4.

6. Click Finish.

The Horizon Rad Station[™] Setup Finished page is displayed.

Figure 1-10 Horizon Rad Station Setup Finished page

Note: To complete the installation, you must restart Internet Explorer®.

You are now ready to start Horizon Rad Station[™] Distributed.

Updating Horizon Rad Station[™] Distributed

You may be required to install Horizon Rad Station[™] Distributed updates on your computer as they become available. When you start Horizon Rad Station[™] Distributed, a message is displayed informing you that an update is available and is being transferred to your computer.

To install updates on your computer, one of the following conditions must be met:

- The Horizon Medical Imaging[™] Update Service has been installed on your computer
- You are a member of the Windows® Administrators or Power User group

Steps for this task

To update Horizon Rad Station[™] Distributed:

1. Start Horizon Rad Station[™] Distributed.

The **Horizon Rad Station™ Update** page is displayed informing you that an update is being transferred to your computer. See *Figure 1-17*.

The InstallShield Wizard is started and the Welcome message is displayed.

See Figure 1-4.

Franciscan Health System

Figure 1-11 Horizon Rad Station[™] Update page

2. Click Next.

The **Setup Status** dialog box is displayed, indicating the installation progress. See *Figure 1-8*.

 Click Finish. The Horizon Rad Station[™] Setup Finished page is displayed. See Figure 1-10.

Note: To complete the installation, you must restart Internet Explorer®.

Setting up quick access to Horizon Rad Station Distributed

Multiple Horizon Medical Imaging[™] systems may be available to you. To quickly access a Horizon Medical Imaging[™] system, you can add its URL to the **Links drop-down** menu or the **Favorites menu** in Microsoft® Internet Explorer.

Adding an URL to the Links drop-down menu in Microsoft® Internet Explorer®

To add the Horizon Rad Station[™] Distributed URL to the **Links** menu:

- 1. On the Microsoft® Internet Explorer® Address bar, complete the following steps:
 - In the Address field, type the following URL: <u>https://pacs.fhshealth.org/hrs/</u>
 - Click the **Go** icon or press ENTER.

The Horizon Rad Station Login page is displayed.

2. Drag the icon for the URL from the **Address** field and place it across the Links icon.

Address https://pacs.fhshealth.org/hrs/	•	∣→	Go	Links »	🍋 👻	
---	---	----	----	---------	-----	--

Franciscan Health System

The URL has been added to the Links drop-down menu.

Figure 1-12 URL displayed in Links menu

3. Repeat steps 1 to 2 for each URL you want to add to the Links drop-down menu.

Renaming the URL in the Links drop-down menu

You can rename the URL in the **Links** drop-down menu, in order to describe the system you are accessing.

To rename the URL in the Links drop-down menu:

2. Right-click the URL in the **Links** drop-down menu, and select **Rename**.

Figure 1-13 The right-click menu invoked from the Links menu

3. Type the descriptive name in the **Rename** dialog box, and then click **OK**. The URL has been renamed.

Rename	
New name:	HRS Distributed - North Campus
	OK Cancel

Adding an URL to the Favorites menu

To add an URL to the **Favorites** menu:

- 1. On the Microsoft® Internet Explorer® Address bar, complete the following steps:
 - In the Address field, type the following URL: https://pacs.fhshealth.org/hrs/
 - Click the **Go** icon or press ENTER.

The Horizon Rad Station Login page is displayed.

2. In the **Favorites** menu, select **Add to Favorites**. The **Add Favorite** dialog box is displayed.

Figure 1-15 Add Favorite dialog box

3. In the **Name** field, type a name that describes the Horizon Medical Imaging[™] system.

Figure 1-16 Name field

Name: HRS D - North Campus

4. To place this **Favorite** in a specific folder, click the **Create in** button, and then select a folder:

lf	Then
Using an existing folder	Select a folder listed in the Create in section.
Creating a new folder	 Click the New Folder button. The Create New Folder dialog box is displayed. In the Folder name field, type a name for the folder. Click OK, The new folder has been added to the Create in section.

5. Click **OK**. The **Favorite** is added to the **Favorites** menu.

6. Repeat steps 1 to 5 for each URL you want to add to the **Favorites** menu.

Troubleshooting issue with Microsoft Internet Explorer® Version 6

It is recommended that you use the Microsoft Internet Explorer® browser to launch HRSD and not other browsers such as Firefox and Safari.

HRSD is most compatible with version 7 of Internet Explorer. If you have version 6 of Internet Explorer, you will need to follow these steps:

The steps are as follows:

- 1. To check which version you are on, go to "Help" tab on your Internet Explorer.
- 2. Select " About Internet Explorer".
