

TACOMA/PENINSULA

Stroke Support Group

Vision

To provide a welcoming and safe space that builds a sense of community for anyone who has had their life impacted by stroke.

Mission

To promote healing of mind, body and spirit through listening and expression of experiences.

People from all areas are welcome!

The Stroke Support Group meetings can be attended in person or virtually through Zoom. If you need help, downloading Zoom on your phone, tablet or computer, please feel free to contact stroke@chifranciscan.org and we will support you to access the meeting.
