!!! This is a Drill Only !!!

Screening and Dispensing Instructions

1. Complete the Operation T-Rex screening by clicking [Here](#) or on the + New item button in the operation T-Rex screening section.

2. Fill out the form completely and choose submit.

3. ****If you answered yes to the question do you or a member of your household have a red or white vehicle then you are considered to be exposed to pneumonic plague for this exercise. This is a drill only. ****

4. Open up the [Plague Facts sheet](#) and review it (found under Operation T-Rex documents if link doesn’t work)

5. Go to the following website and complete. [https://www.dispenseassist.net/plague.html](https://www.dispenseassist.net/plague.html)

6. Print one form for you and each member of your household
    If you are unable to print, then a paper form will be available at the hospital.

7. Bring this form to the mass dispensing sites located at the hospitals between 9-11 May 7th
