

Accessing Epic Using Webapps

Epic environments are accessible via Citrix. In order to access Epic Production environment follow the steps detailed below:

Step 1: Launch Citrix Portal

<https://webapps.catholichealth.net>

Enter your CHI or FHS user name and password into the Citrix login dialog box. Choose your correct Domain (likely Tacoma-wa):

Step 2: Navigate to PRD Environment

Once logged in, open the **Epic** folder, then the **Production** folder; double click on the FHS Hyperspace Icon:

Step 3: Logging into Epic

Username and Password the same as your network (FHS computer and email)
