

NORTHWEST WASHINGTON FAMILY MEDICINE RESIDENCY

**A community-based residency serving,
and training to serve, the primary care
needs of Northwest Washington**

Our Mission

We train Family Physicians to be compassionate leaders of multidisciplinary teams providing full-spectrum, evidence-based care in remote settings and areas with varied levels of resources.

Our Vision

To be recognized nationally as a program with commitment to patient-centered, evidence-based, service-oriented family medicine using innovative training methods for patient care and physician leadership training.

Clinical Program

Faculty to resident ratio 1:1 (2018-2019);
2:1 (2020, at full complement)

Educational goals

We train Family Physicians to:

- I. Provide comprehensive care for patients with a broad range of medical conditions across the spectrum of acute illness, chronic illness and preventive health planning
- II. Provide individualized, compassionate care for underserved populations within the Pacific Northwest
- III. Lead multidisciplinary teams within the Patient Centered Medical Home in rural and underserved areas of the Pacific Northwest
- IV. Communicate efficiently and compassionately during patient, family and community encounters
- V. Use leading-edge technology for the benefit of their patients and their communities
- VI. Be effective and efficient lifelong learners
- VII. Assume medical leadership and community services roles in local communities, in the Pacific Northwest and in the nation

Affiliated with Harrison Medical Center, a part of CHI Franciscan Health

- Providing care to Kitsap, Mason, Clallam and Jefferson counties since 1918
- The busiest hospital on the Olympic Peninsula
- Level III trauma center
- Part of a large, national nonprofit health system
- Comprehensive, recognized stroke and cardiac care, including open heart surgery
- Collaborative, team-based cancer care
- State-of-the-art sleep disorders center
- Traditional, minimally invasive and robotic surgical services
- Serving culturally and economically diverse populations

Stipend and benefits

Benefits include four weeks of paid personal time off per year, to use as vacation, sick and CME days. Coverage for qualified continuing education is provided. Medical, dental, group life and disability insurance is provided for residents and dependents. Primary medical professional liability insurance coverage, including “tail” coverage, is provided to all residents through CHI Franciscan Health. We offer competitive salaries, including chief resident bonuses. For more details on salaries and benefits, visit www.nwfammed.org.

How to apply

Northwest Washington Family Medicine Residency (1205400721) participates in the National Resident Matching Program (NRMP). Only applicants who are registered with the Matching Program will be considered for a personal interview.

Life on the Kitsap Peninsula

Our **mild climate** offers comfortable, warm summers with low humidity and cool, wet winters.

Top-notch public and private schools with additional offerings including early childhood care and an education partnership with area preschools, free all-day kindergarten, special education, Spanish immersion, free Montessori programs and more. *U.S. News & World Report* and *The Washington Post* have ranked some of our local high schools among the best in the nation.

Exceptional natural beauty abounds, from the harbors of Puget Sound to Pacific Ocean coastal beaches, to rain forests and the rugged Olympic Mountains. The Pacific Northwest is a recreational paradise for year-round enjoyment, from hiking and kayaking in summer to downhill and cross-country skiing in winter.

All with **plentiful, affordable housing** and **just an hour's scenic ferry ride to Seattle**.
